Sharing is a skill that takes years to develop (and let's face it, some people never grasp the concept at all). Sharing helps children to develop appropriate social skills and in our setting is used as a language development tool. We encourage you to allow your child to bring an item to share on Fridays.

Curriculum:

The children's curriculum is designed to meet each child's

developmental goals using the Nevada Standard's and a developmental assessment tool called the Ages and Stages Questionnaire.

Curriculum is posted in each class and a weekly communication from the teacher will be provided to each family.

We have many fun and educational activities planned for your child this month☺

Tuition Express: Our preferred method of payment☺

Never have to worry about a late payment again.

With tuition express your payment is automatically deducted from your checking account each week. If you need a sign up form or have questions please see Mrs. Brooke
